

Introduction to Colab

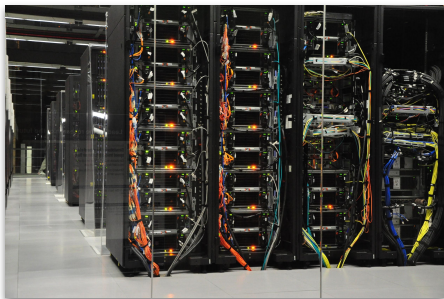

How will we use Colab in this course?

- Code **walkthroughs** of algorithms and concepts

How will we use Colab in this course?

- Code **walkthroughs** of algorithms and concepts
- **Training** our Neural Networks (in the cloud)

How will we use Colab in this course?

- Code **walkthroughs** of algorithms and concepts
- **Training** our Neural Networks (in the cloud)
- **Visualize** the training characteristics of the model
