

# ML Development: Impact on MLOps

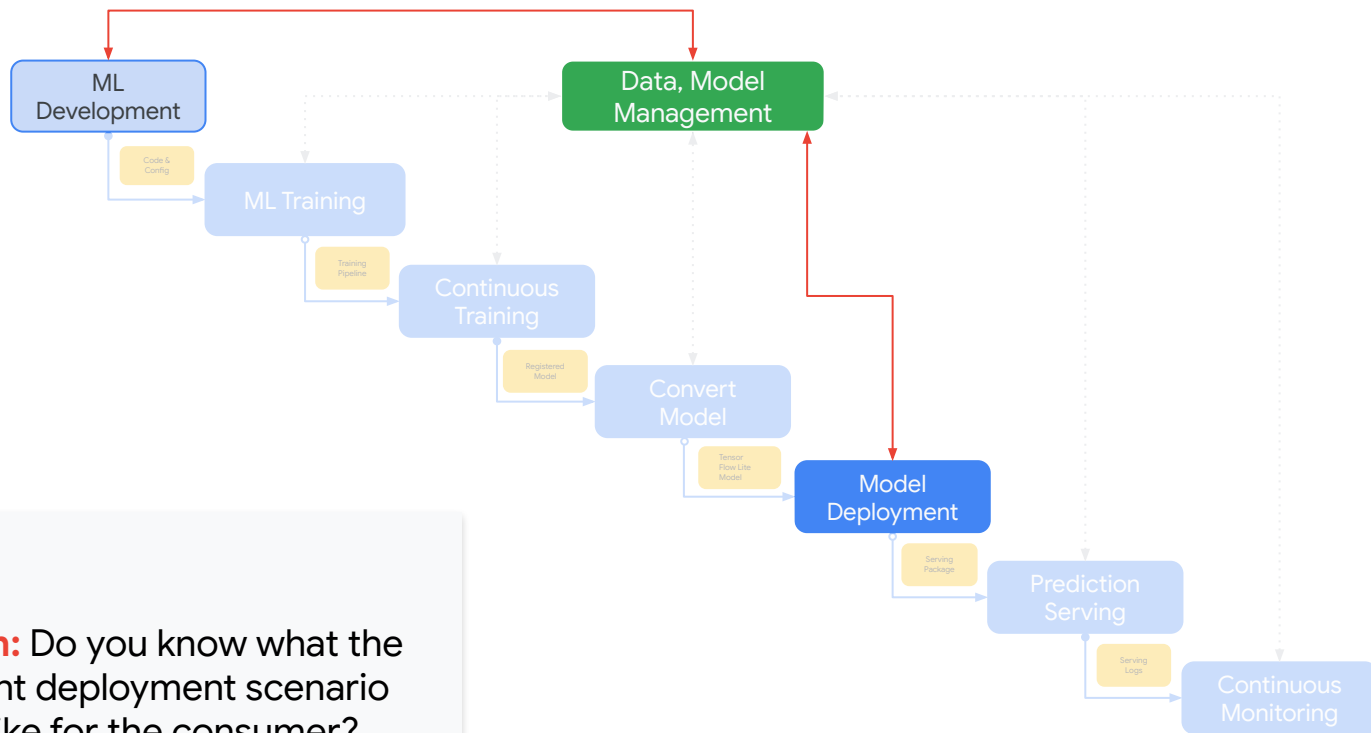

# MLOps: ML Development

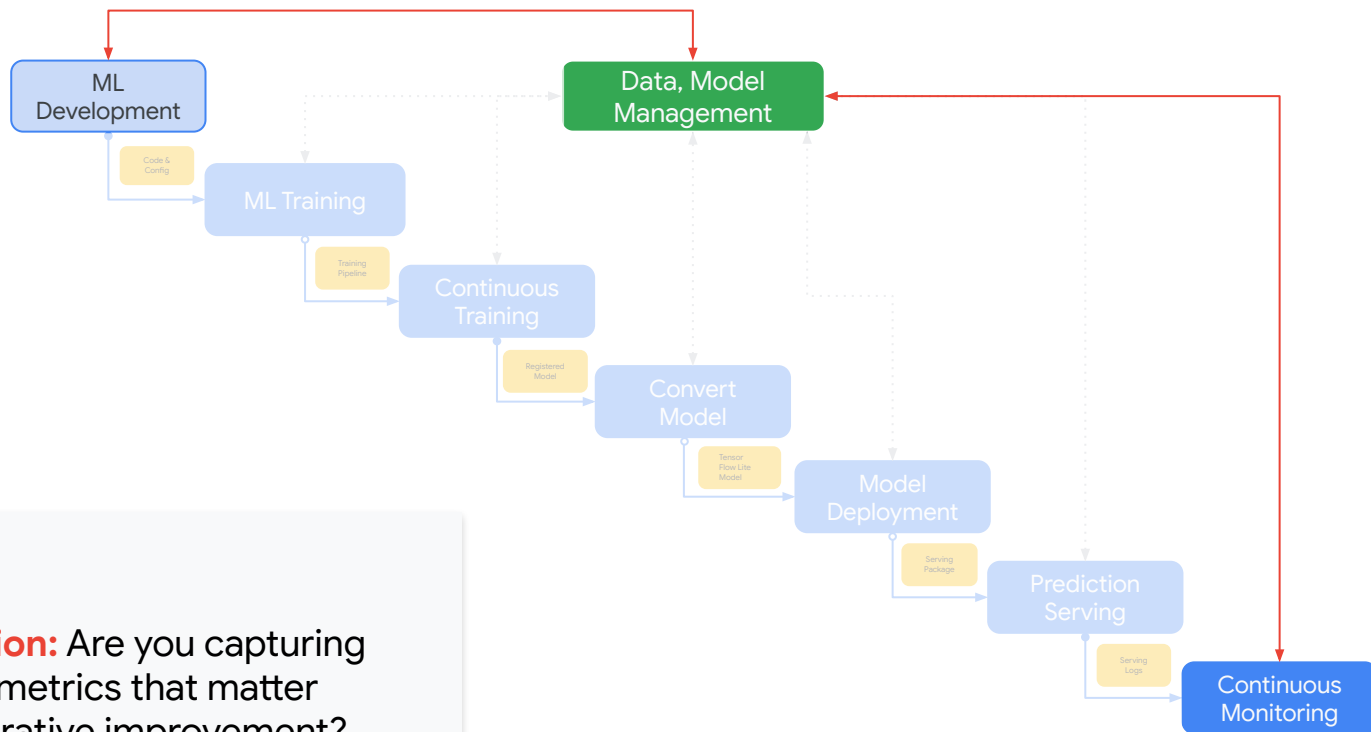

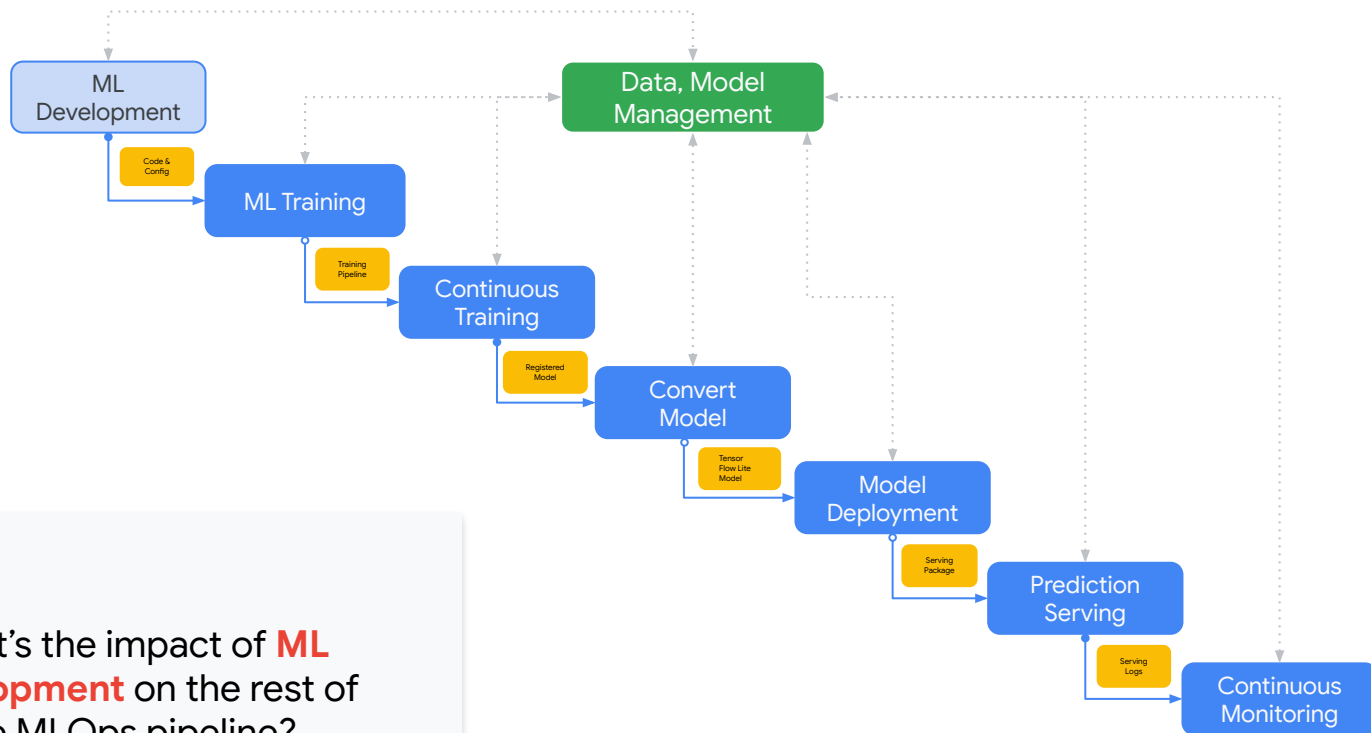

What's the impact of **ML development** on the rest of the MLOps pipeline?

**Question:** Do you know what the end-point deployment scenario looks like for the consumer?

**Question:** Are you capturing the metrics that matter for iterative improvement?

What's the impact of **ML development** on the rest of the MLOps pipeline?

# The MLOps Personas

ML  
Engineer

ML  
Researcher

Data  
Scientist

Data  
Engineer

Software
